Tithing Confession

Dear Father,

We profess today that we are in the land that you promised us, the kingdom of God. And as an act of faith, obedience, love and gratitude we bring the tithe, and the offering to You Jesus, our High Priest, And we trust You today to worship our Father with them. Father, we were headed to hell but we cried out to You and You heard our cry and You delivered us from the authority of darkness and You translated us into the kingdom of Your dear Son, so we rejoice in all the good that You blessed us with. Now look down from Your holy habitation and bless us as You said in Your Word.

We believe that we now receive the windows of heaven's blessings. We believe that we receive supernatural ability to function at a high level of excellence and integrity. We believe that we receive divine favor and we thank You for raising up others to use their power, their ability, their influence and resources on our behalf. We believe that we receive open doors of opportunities and we believe that we receive income from unexpected sources. We believe that we are the blessed of the Lord, Your blessing is on our lives and it has made us rich. We believe that we are blessings, and we live a first class lifestyle. We believe that we are debt free; we owe no man anything but to love them. We believe that we enjoy the abundant life that Jesus came to bring. We are enjoying life to the full and it is running over in the name of Jesus. We are blessed in our spirits. We are blessed in our minds. We are blessed in our bodies. We are blessed in our finances and we are blessed in our relationships. We are blessed and we are a blessing now.

In the Name of Jesus, Amen.
